B. Language 104 Waiver

Students with Language 104 waiver take 1 Elective

One free elective will appear here until the foreign language core is fulfilled by either a foreign language Intermediate II level course or the language 104 waiver and an elective.

For students taking a foreign language Intermediate II level course, the elective will not be needed to fulfill the language requirement and any elective course showing below will move to the free electives section, if applicable for the program, once the student registers for the Intermediate II level course.

For students with the language 104 waiver, this extra elective is required and will remain below to fulfill this requirement. This is in addition to any free electives that may be required for the program.
